

East Central District Hosts Leadership Development Day: Cultivating More & Better Leaders Workshop

Saturday, March 24, 2012 from 9:00 a.m. - 3:00 p.m.
Sanlando UMC, 1890 West SR 434, Longwood 32750

If there is one thing we hear as we work with congregational leaders across the conference, it is their desire to know how to cultivate more and better leaders.

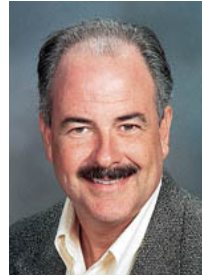

This practical-as-potatoes workshop, led by Dr. Jeff Stiggins and Dr. Phil Maynard, is a condensation of the best material from their six one-day workshops on Cultivating More & Better Leaders.

This workshop will be highly interactive and involve multi-media tools which you will be able to take back and use in your congregation. Our goal is to help leaders go to the heart of six critical topics with proven strategies:

- **Cultivating Vital Personal Foundations:** The quality and quantity of leadership can only grow when a congregation's core leadership personally have a strong spiritual, relational, financial, physical and intellectual foundation.
- **Helping Disciples Discern their Calling:** The difference between a chaplaincy and a biblical model of ministry rests on helping every disciple discern how God is calling them to make their contribution to Jesus' Kingdom work -- and helping them make it.
- **Multiplying Congregational Leaders:** Congregations can't grow without expanding their leadership base. Expansion can't happen without making peace with the roles of pastor and staff, and without key leaders exemplifying that power expands when shared.
- **Partnering for Missional Alignment:** To move toward missional alignment, congregational leaders need to learn to collaborate while mentoring, transcending silos, and joining hands with other congregations and organizations.
- **Leading Missional Change:** Bringing about change that helps your congregation become more missionally fruitful is not without challenges -- and understanding the challenges and some strategies for addressing them can make all the difference.
- **Planning Effective Ministry:** Effective leaders learn how to plan for, involve others, execute, and evaluate ministry that is missionally fruitful.

To make the best investment of your time, come as a team that includes your pastor and several key lay leaders and/or staff.

Registration Fee \$10 includes all materials and lunch.
[Register at www.ecdistrictumc.org](http://www.ecdistrictumc.org). The \$10 will be collected at the event.
